Google Legal Team,

As discussed yesterday over the phone, I appreciate your quick response and willingness to provide GPS data for the below device ID(s). Please expedite this request where possible due to this suspect's continued threat to our community. If it would speed up the process, please provide data as it becomes accessible/available, starting with device ID(s) 1 – 9. It was mentioned that the larger the request, the more time it will take to get data back. With this in mind, I will still have to rule out device ID(s) 1-9; however, I may be able to do so more quickly if I can begin reviewing data. The faster I can review the data, the faster I can get this guy/guys off the street.

Thanks again for your professionalism and understanding. I realize that I'm asking for a lot and you and your team are likely tasked-out already, but any and all assistance and expedited process is MUCH appreciated.
